

Petition Calling for An Expanded 352 Bus Service

*To the Honourable Speaker and Members of the Legislative Assembly in New South Wales.
The petition of the people of New South Wales brings to the attention of the House:*

The 352 bus service, running between Bondi Junction to Marrickville Metro Shopping Centre, does not operate at nights or weekends. The first bus from Bondi Junction leaves at 6.55am, with the last arriving at 7.27pm. The first bus from Marrickville Metro leaves at 7.45am, with the last arriving at 7.27pm.

These limited hours do not fit with modern lifestyles, and exclude many workers from using the 352 bus for commuting.

The east-west 352 bus service is an important link to St Vincent's Hospital and Royal Prince Alfred Hospital, as well as restaurants, cinemas and entertainment activities in Oxford Street and in Newtown.

Government policy supports public transport, to reduce traffic congestion, air pollution and noise.

Expanding the hours of the 352 bus will encourage greater use of public transport and help reduce traffic congestion.

The undersigned petitioners therefore ask that the State Transit Authority extend the hours for 352 buses to operate on nights and weekends.
