Petition Calling for Improved 323, 324 & 325 Bus Services

To the Honourable Speaker and Members of the Legislative Assembly in New South Wales. The petition of the people of New South Wales brings to the attention of the House:

Passengers report 323, 324 and 325 bus services do not run to timetable and are often late. These routes are a vital link from the inner east to the CBD.

Regular and reliable public transport is essential to provide a real alternative to private transport, to alleviate traffic congestion, to reduce pollution and to address global warming.

The undersigned petitioners therefore ask that the Government improve 324 and 325 bus services.
